From director Frank Mannion, Sparkling: The Story of Champagne is a new documentary shedding light on one of the world's most legendary tipples. Visit some of the region's famous landmarks, such as the Avenue de Champagne in Épernay, and get to know the people behind some of the drink's top producers, such as Vitalie Taittinger of the eponymous champagne house and Laurent d'Harcourt of Pol Roger. FRANCE Magazine's July 2021 issue sees writer Pierre de Villiers visit Frank in France for a behind-the-scenes visit to the area's historic vineyards.
