What to do in Champagne?

To help you explore our beautiful region, we have compiled a comprehensive list of recommended services in this guidebook. It offers you a glimpse into the possibilities, inspiring and guiding your itinerary before entrusting us with organizing your stay.

We would like to highlight the following reservation conditions:

- During busy periods (April - October) some Champagne Houses require several weeks of advance booking. Therefore, we cannot guarantee their availability.
- We only secure or confirm reservations with our partners once the activity has been officially confirmed via email.
- Once the activity (transportation/visit/restaurant...) is confirmed, any cancellations made less than 48 hours in advance will incur a 100% fee. Additionally, delays or last-minute changes may be subject to additional charges.

Let's now embark on your Champagne escapade together... Make it Memorable !
