BELLEVUE

Indulge in a panoramic view that spans an impressive 180 degrees over the picturesque Epernay and Marne valleys. A bustling brasserie at all hours, is lit up at nightfall by the magic of the thousand crystal pendants suspended from the ceiling, transforming into luminous drops of water.

The Chef Christophe Raoux, 'Meilleur Ouvrier de France', offers a glimpse of the diversity of France's finest products, with a hint of international cuisine.

As for pastry chef Claire Santos Lopes, she advocates for responsible and less sugary creations and offers desserts full of indulgence.
